Meeting at Plamor Lanes

June 5, 2016

Meeting called to order: We had a quorum.

**Consent Agenda:** Provided prior to meeting to board members.

Alabama State Open was held at Madison and Plamor Lanes. We had to replace the printer we have been using since 2011. Tournament ran good as far as lane conditions and centers. Had issues with bowlers and bowlers schedules. We collected \$1692 in 50/50 money for the Vets and \$3668 from brackets to be earmarked for National meeting in Las Vegas April 2017.

We need to look at the scheduling of tournaments for next season. Suggest we do the Senior Tournament September 24-25 and October 1-2, 2016. This will be on bid sheet. The Open and Woman City Tournament November 5 & 6, November 12 & 13 and November 19 & 20, 2016. This will be on bid sheet.

It has been suggested that on the Optional All-Events we add an Optional Senior Division All-Events. Suggest making the cost \$5.00, suggest making 2 divisions only 50-64 and 65 & up. This would be for Open and Woman tournaments.

Youth City Tournament is on rotation for Pin Palace 2016-2017 Season. It will be scheduled in February because of High School Bowling.

Secretary meetings will be scheduled starting in August.

**Financial:** Report was sent to board prior to meeting. S Young made a motion to accept the report. Motion carried.

**Youth Committee:** G Lewis reported on the High School Bowling program. The State Athletic Association feels they will have over 100 school participate this year. The schools had to declare by May 1<sup>st</sup>. Their web page will soon have a tab to show state records. Regional tournament for our area will be held in Tuscaloosa and State in Pelham again. Recognized Sparkman High Girls as State Champions. State Pepsi Sectional was held and all did well. Sierra Lewis placed 1<sup>st</sup> for the 3<sup>rd</sup> year in a row. She is being recognized by Pepsi for this. T Beard motion to accept and carried.
