The committee decided to bring back the Tournament of Champions this season. This will be a scholarship tournament to be held in several houses over the course of the season. We worked on a schedule and the rules. Rhonda Swaim provided rules used from previous years as a foundation. We decided to have the tournament with the first one as part of the Youth City Tournament. The final tournament will be held at Parkway Lanes. The winners of each division will receive money put in the Smart Account held by Huntsville Youth.

They also went over the shirt details for the State Youth Tournament in March. We decided to use Red and Royal Blue for colors. We will also sell towels. The cost of the shirt will be \$10 for YS to AXL and \$2 extra for 2XL and 3 XL. Towels will be \$5. The information will be forwarded to Loretta Stowers the State Association Manager to get to the centers for pre-orders. If they want to pre-order and get a combo we have a price of \$14 to include a shirt and towel – YS to AXL and \$16 for the combo of 2XL – 3XL.

Jan Mason also asked if they could get things for the bags to be given out at the tournament. Rhonda Swaim told them they all will be needed to help with score corrections and sales at the tournament in March. It will be held at Madison and Pin Palace.
