Voting shall be by team with 1 vote per team. A majority shall determine the prize list approved. The standing sheet showing Weekly and Season standings will be changed to reflect the prize fund.

Individuals can only qualify for one individual award (handicap or scratch) and teams can only qualify for one team award (handicap or scratch.)

Series awards will have priority over game awards and handicap awards will have priority over scratch awards. Individuals must bowl at least **2/3 of games bowled or 64** games to qualify for individual awards.

Most Improved Bowler awards will be based on the individual's final average compared to their average at the end of their **12th** game. A bowler cannot win Most Improved and High Average. High Average will take precedence over most improved.

Team handicap awards will not be computed until after the completion of 12 games. Individual handicap awards will not be computed until after the completion of 12 games. Scratch awards will begin with the first game of the league schedule.

In case of a tie for **any** position except 1st Place in Team Standings (League Winner), the prize money for that position shall be combined and divided evenly between the participants. All USBC sanctioned bowlers will qualify for National USBC awards and the local Huntsville USBC awards.

ENTERING AVERAGES AND HANDICAP

All bowlers will use a book average from the previous season for **WINTER** in this league for the first **9 games**. If the bowler did not bowl at least 21 games in this league last year, then if the bowler has a summer average of 21 games on Wednesday Mixed League or more, that will be used. If none of these apply, then we will use your HUSBC average from the previous season. If that is not an option, then the highest average on BOWL.COM will be used and last, if no average, you must establish the first week. Handicap shall be **90%** of the difference between a bowler's scratch average and **240** for all bowlers. There will not be a maximum handicap; but a 300 max handicap score per individual game and a 900 max individual series will apply (1200 per team game and 3600 per team series.)

If your team won the first half of the season, whatever average you finish with in that half, will be the average you use in playoff

SUBS, LINEUP, TARDY, ABSENT, VACANT SCORES AND FORFEITS

Substitutes will be permitted except on position rounds. A list of roving substitutes will be maintained by the League Secretary. A substitute may be **male or female**, **no subs for pre-bowl or post-bowl games**.

All substitutes must fill out a USBC sanction application card REGARDLESS IF THEY HAVE SANCTIONED IN ANOTHER LEAGUE!

The absent bowler is responsible for weekly fees. The minimum legal lineup of **1** bowler on a roster must be present at the beginning of each game. Regular members count toward a legal lineup, substitutes do not. Only **TWO** substitutes per team will be allowed and the 4th spot will be bowled as absent. The team using an Absent Bowler shall use whichever absent Team Member has the most games bowled that season as their Absent Bowler. Absentee scores will be allowed when a team has a legal lineup, but less than a full lineup at the start of any game in a series. **The absentee score will be the absent members average minus 10 pins.** Handicap will be calculated on the average of the absent member(s). **Tardy players may enter the first game provided they are present at the start of the 4th frame.** The tardy bowler will complete all frames they missed at the time of their next turn. When a team has a vacancy, a score of 120 shall be used with a handicap of 99 pins. In the event of a vacant team, the team bowling the vacant team must bowl within 40 pins of their current team average (scratch) to earn the point(s).

If a team doesn't show and has not scheduled a pre or post bowl, they forfeit and the team bowling them MUST bowl within 40 pins of their current team average (scratch) to secure a win.

POSTPONED OR PRE-BOWLED GAMES

League games must be bowled at scheduled times unless postponed. The League Officers shall determine what sufficient cause is to grant a postponement. Pre-bowled games shall be subject to the same conditions that apply to games postponed. A postponement shall be granted if a team is unable to field a legal lineup. A postponement must be requested at least 48 hours before the scheduled time except for emergencies. The league must grant a postponement when a team cannot appear for reasons beyond its control. Pre- and Post-Bowling may only happen within 7 days of the missed league night. No Pre-Bowls or Post-Bowls will be granted for the final week of the season. All Post-Bowls must be finished by the Sunday prior to the Position round.

- 4. The house can only allow postponed games and pre-bowled games on Tuesday and Thursday after 6 PM or Sunday after 3 pm.**

Team position standing shall be determined on a point basis, with **1** point awarded for each game won and **2** points for each series won.

Scores bowled in a playoff shall not count toward individual or team standings for special prizes awarded by the league, but will count for their final averages.

Substitutes are not allowed during position rounds.
