Bowlers will use their entering averages for the first 3 weeks of league or after 9 games have been bowled. Bowlers will then use true averages for the remaining of the league schedule. Anyone without an entering average

8. **Handicaps**

Handicap will be based on 90% of the difference between the bowler's average and a scratch score of 230.

9. **Team Rosters**

Team Captains will turn in team rosters of team members to Michael prior to the start of the schedule. Rosters will be limited to 5 players per team. New bowlers cannot be added to the team roster in the final 2 weeks of the schedule or at the week of any position rounds without unanimous approval of all team captains. A bowler withdrawing from the league must give a 2 week notice to their Team Captain and Michael and is responsible for paying the bowling fees for those weeks.

10. **Substitutes**

There will be NO roaming SUBS. All bowlers become members of the team they sub for and are eligible as long as their average does not exceed the 600 average cap among the three members of the team bowling that night based on original entering averages.

11. **Team Rosters/Line-ups**

A legal line-up consists of at least one (1) member from a team's roster.

12. **Tardy Players**

A bowler who arrives late may enter the first game provided first ball of the 4<sup>th</sup> frame has not been bowled. Missed frames may be made up. Bowlers must be present before the start of the second or third game to bowl. It is highly recommended that any team who maybe late to league contact the opposing team captain and inform them.

### 13. **Forfeitures**

When a game is declared forfeited, the team present shall bowl as though the game was actually contested. When a team fails to have a minimum legal line-up, the opposing team must bowl within 30 pins of their current average in order to win team points. Individual bowlers must bowl within 10 pins of their average to earn individual points.

### 14. **Absentee and Vacancy Score**

Teams without a bowler shall use a 150 vacancy score with a 72 pin handicap. Once a bowler has established an average, the absentee score shall be the bowler's average minus 10 pins plus their handicap.

### 15. **Pre-bowled or Post-bowled Games**

It is MANDATORY that in the event of a pre OR post bowl the following things must happen

1. Contact Michael about the pre OR post bowl. (256-603-8385)
2. Contact opposing team captain about the pre OR post bowl.
3. Contact AMF Pin Palace Lanes (256-534-8438) to schedule pre OR post bowl.
4. It is highly recommended that teams PRE bowl if possible.
5. The latest a team can POST bowl for previous week is Thursday.
6. Teams that do NOT follow these guidelines will forfeit all points for that week.
7. Bona-fide emergencies are the ONLY exception to these guidelines.
8. Availability to pre OR post bowl is at the discretion of the bowling center.

### 16. **Points System**

League will use the 25 point Peterson Point system. Team line ups are determined by bowlers averages. Lowest average will bowl first, second highest average second, and highest average third. Team line ups may change depending upon bowler's averages. Individual points are won 1 point for each game and 2 points for Individual Handicap series. Team points are worth 2 points each game and 4 points for Team Handicap series. Max individual points are worth 15 points, max team points are worth 10 points.

### 17. **Roll-Offs**

League will be divided into 2-10 week halves. Team who has the most points at the end of week 10 will be declared 1<sup>st</sup> half champion. Points will then reset and team who has the most points at the end of week 20 will be declared the 2<sup>nd</sup> half champion. These two teams will bowl in the championship roll off to determine who our league champion is one week after the final night of the league schedule. League championship roll off will be on Sunday June 28, 2026 at 6:00 PM. Final standings for other teams third place and down will be determined by Year-To-Date points combined for all weeks of the league.

The team who wins the first half, if any of the bowlers on their roster's averages are higher at either the end of the first half or at the end of the league schedule, that team will use the higher average for the championship roll off.

In the event one team wins both halves, there will be a wild card team based on Year-To-Date total points who will challenge the team who won both halves. The wild card team must beat the team who won both halves twice (2 three game sets) to win the league championship while the team who won both halves will only need to win the first set overall. All games for the roll off will take place on the same night as originally scheduled and if necessary for a second set, it will take place on a different set of lanes.

If there is a tie at the end of the first or second half of the league schedule, there will be a 1 game roll off to break the tie and determine the first or second half champion on a different set of lanes from where both

teams bowled their first set. If there is a tie at the end of the league championship roll off, there will be a one game roll off to break the tie. There must be a league champion!

18. **Conduct**

Bowlers are expected to adhere to conduct not detrimental to the league. Any action a bowler does that is considered detrimental will receive a warning. (e.g. loud profanity, kicking the ball return, punching console, etc.) Any action thereafter and the bowler will be asked to leave for the evening (they will still be required to pay league dues for that evening too). Bowling shoes are required by the bowling center in order to participate in the league. Please see the front counter for rental shoes if necessary. Please be friendly, courteous, and professional at all times.

19. **Miscellaneous**

For rules not covered herein, the league will abide by the USBC rule book.

20. The league bylaws will be held by Michael Price and the bowling center and any copies are available to each team upon request.
