If all league fees are not paid in full by then, bowlers who are not considered “paid in full” will use a “vacant” score (120) with a “vacant” handicap (81) and no substitutes will be allowed.

Team captains shall turn in team envelopes to the Secretary no later than the end of the 1st game. Please make sure this is the first thing you do when you arrive to the bowling center. The bowling center will only accept CASH and CHECK payments. CHECKS should be endorsed to “AMF PIN PALACE LANES”.

A bowler who is behind more than 1 week in payments will not be allowed to bowl and a vacancy score will be used until all monies are made up. ***NO EXCEPTIONS. If bowler bowls knowing they are behind more than 1 week in arrears, they will subject their team to forfeiting all points each week until league fees are current. Fees will be determined to be current once the team envelope has been turned into the league secretary and has been verified league fees are current.***

IMPORTANT: Bowlers who are on the team roster and are scheduled to bowl are responsible for paying fees (\$25). Fees must be paid by the bowler scheduled to bowl regardless of whether the bowler is present, blind, or uses a substitute. It is the responsibility of the Team Captain to ensure that all team members are current on league fees.

Bowlers who have not paid their league fees in full from prior seasons must make up what they owed in order to be allowed back into this league. Those fees will be added into the current season's prize fund.

4. League Funds

5. **Sanction**

If there are 3 or more prize fund submissions, there must be a majority league vote for 1 of the prize funds to pass; otherwise, the prize funds with the 2 highest amount of votes will do a runoff the following week to determine which prize fund submission will be used for paying out at the end of the league schedule. Any ties other than 1st place at the end of the league schedule will result in an even split of prize fund earnings among final team positions involving a tie in total points.

Prize Fund Committee: Jacob McCoy & Ty Sackett

7. **Averages**

Bowlers who bowled in the previous league session will use their final average as their "entering" average on the first night of league having bowled at least 12 games. Entering averages will be used for the first three weeks of the league. True averages will be used after 9 games. All other bowlers will establish their average the first night of league.

8. **Handicaps**

Handicap will be based on 90% of the difference between the bowler's average and a scratch score of 220.

9. **Team Rosters**

Team Captains will turn in team rosters of team members to Michael prior to the start of the schedule. Rosters will be limited to 4 players per team. New bowlers cannot be added to the team roster in the final 2 weeks of the schedule without unanimous approval of all team captains. A bowler withdrawing from the league must give a 2 week notice to their Team Captain and Michael and is responsible for paying the bowling fees for those weeks.

10. **Substitutes**

Substitutes will be allowed in this league.
Men may sub for women, and women may sub for men.

13. **Forfeitures**

A total of five (5) points may be won per night: one (1) point for each of three games bowled and won, plus two (2) points for total pins plus handicap in the series.

17. **Roll-Offs**

The league will be divided into 2 8 week halves. After the 8th week, whichever team is in first will be declared the 1st half champion. Points will then reset for the second half but kept on record for Year-To-Date. After the 16th week, whichever team is in first will be declared the 2nd half champion. These two teams will bowl against each other right after the final night of the league schedule to determine who the league champion is. In the event one team wins both halves, a wild card team will face off against the one team who won both halves. This wild card team will be the team who is the second high in Year-To-Date points won. This will be a 1 game roll off if two different teams when the first and second half. If there is a wild card team, they must defeat the team who won both halves two games in order to win. The team who won both halves in this event needs to only win one game to win the league outright.

18. **Jane Dismuke Rule of Conduct**

Bowlers are expected to adhere to conduct not detrimental to the league. Any action a bowler does that is considered detrimental will receive a warning from the league President first. (e.g. loud profanity, flicking the pins off, kicking the ball return, punching console, throwing an object, etc.) Any action thereafter and the bowler will be approached by bowling center management who may choose to expedite the process further without any warning given. Please be friendly and courteous at all times. We are all here to have fun!
